Mesmerising Play
of Resin and Wood

Contour Coffee Table

1200 X 600 X 500mm

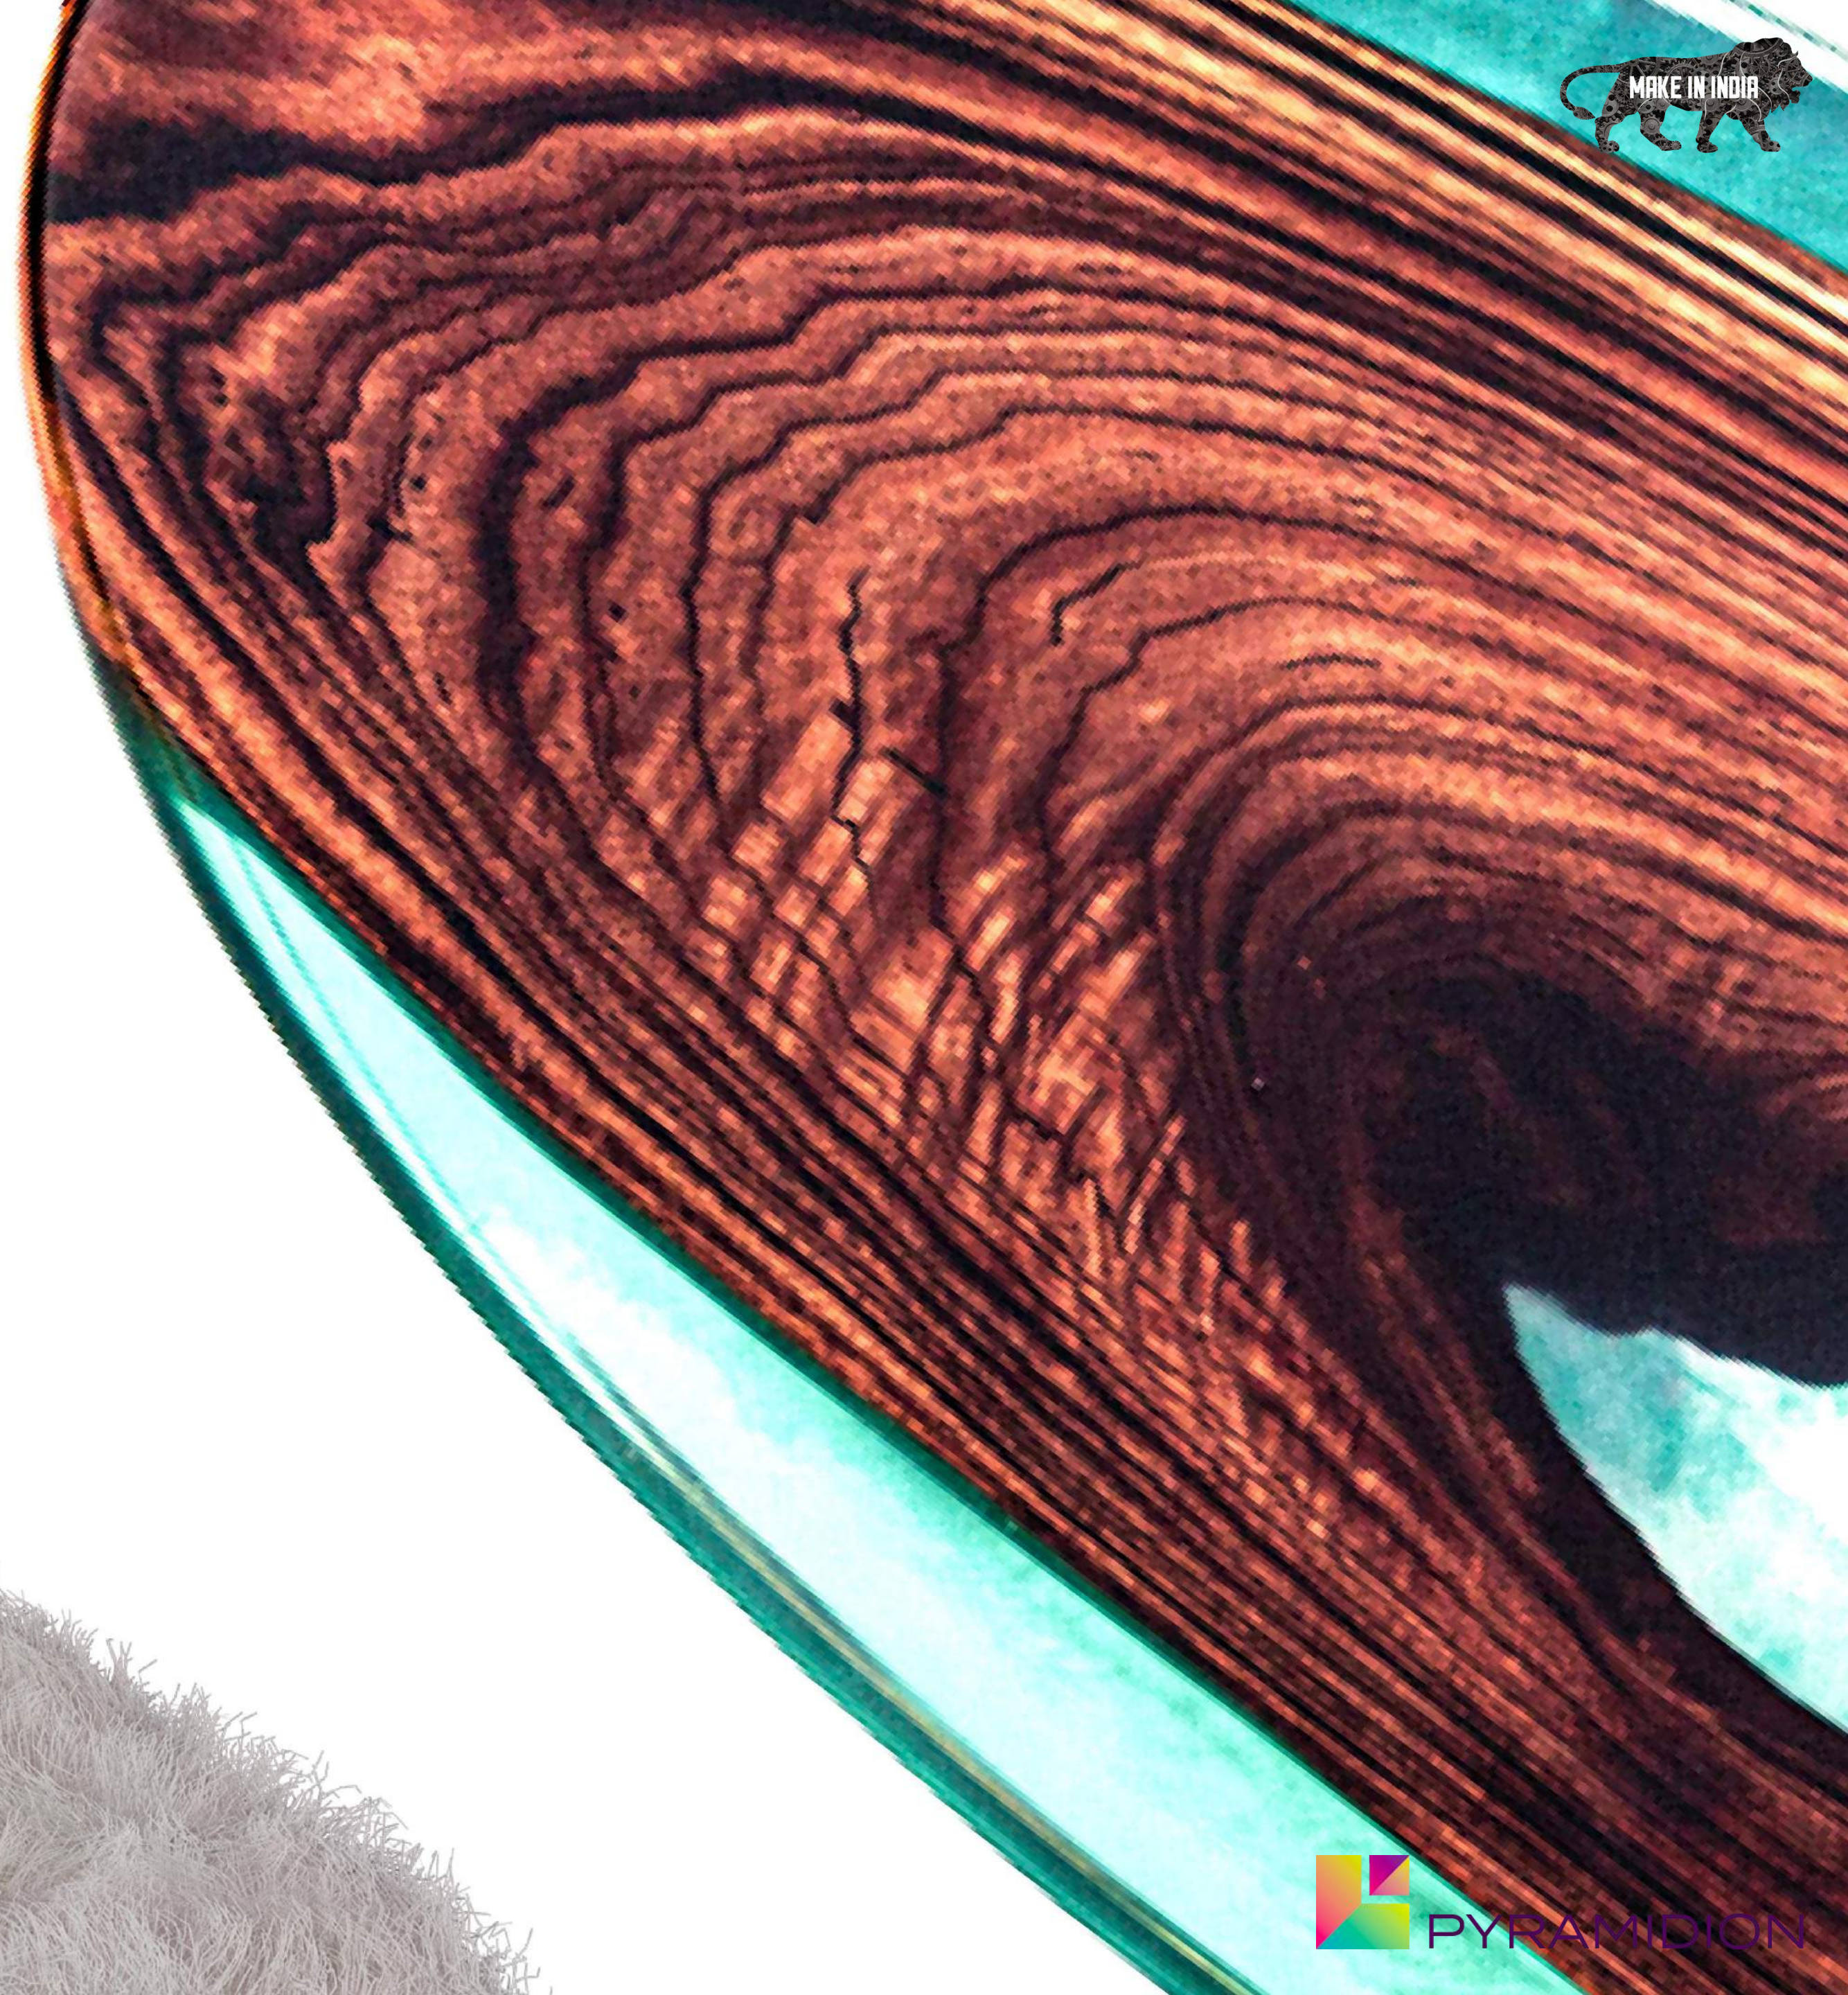

Elegant and sleek, contours in hues of blue meet light brown coloured wood. This coffee table will stand out in any modern living room.

Glossy Green Table

680 X 680 X 400mm

A coffee table with a contemporary design, made with an amalgamation of glossy green resin and wood with natural edges. Each table is unique and exudes class.

Sea Side Resin Coffee Table

1495 X 530 X 400mm

This beautifully designed coffee table conjures up visions of a seaside with waves lashing onto the sea shore. It is not only a coffee table but a piece of art which adds distinction to your living room.

Backlit Outdoor Dinner Table

750(Dia) X 750mm

This funky neon green coloured dinner table is designed to be used outdoors. It is backlit and is sure to liven up any party.

Night Shot

Side Tables

400 (Dia) X 450mm

A fusion of resin in shades of blue and wood make this side table a must have in your living room or bedroom.

Amoeba Coffee Table

580 X 470 X 400mm

This coffee table features a harmonious interplay of dark brown wood and ivory white resin. Its simple yet elegant design embodies the less is more design philosophy.

Folding Balcony Work Table

Working from Home was never as fun as it will be in the Balcony.

The carefully designed table provides for a perfect ergonomic experience, while basking in the sun.

Murphy Bar and Disappearing Work Table

This space optimized fold to wall table acts as a work table or an outdoor bar. The foldable table can be opened only during usage, saving precious balcony space for kids to play, or use the free space for rejuvenation and relaxing.

.

Swing and Rocker

Relive the memories of your grandfather rocking on that chair, gazing into the neighbourhood or your grandmother swinging on that jhoola soaking up the morning sun.

Day beds for the balcony

A cosy day bed in the corner for a cosy snooze during the day or night.
